

From your SNQ Captains Zac Chrzanowski & Chloe Robertson

Reflecting on what it means to be an SNQ swimmer can be summed up in 3 words: **STRENGTH SPIRIT SUCCESS**, and we are honoured to initiate this as our new motto to SNQ as part of our legacy as the first ever SNQ Captains. We have been privileged with leadership and thank SNQ Executive for this opportunity that allows swimmers to invest in their own future.

We have met many of you over the season and been so proud of your achievements. Lots of PB's, carnival participation, medals, ribbons as well as being named in representative teams for the first time – CONGRATULATIONS to every SNQ swimmer!

Along with our new motto, Strength Spirit Success, we are also introducing a mascot for SNQ. In consultation with the Executive Committee, together we are the SNQ Barras! A true symbol of North Queensland, the barramundi represents, speed, strength and stealth – just like our members. We invite you to name our Barra. We would love to hear any ideas or thoughts you have – to contact us just send an email to SNQ via your club secretary.
