

Para Athletes Classification Cards

It is a requirement that all Para swimmers present their Classification Card to the Meet Referee prior to the commencement of the competition, so any Rule Exceptions will be noted by the Referee and conveyed to the other Technical Officials.

Failure to do so will result in the swimmers being officiated as able bodied swimmers with NO Rule Exceptions.

If any assistance is required in obtaining a Para Athlete Swimming Classification Card please contact the writer and you are assured of our fullest co-operation in this matter.

Thank you
